## Vietnam Foe Reveals Details Of U.S. Secret Bomb Device

By George C. Wilson Washington Post Staff Writer

The United States is using the television-guided Walley for precision bombing of North Vietnam—and the Conmunists know it!

A North Vietnamese arm paper, Quan Dol Nhan Dar gives so many details abou the highly secret weapon the it is possible the Communist captured a Walleye intact.

The Hanoi radio broadcas part of the army report on th Walleye, giving out far mor details than have been re leased here by the Pentagon.

The Communist radio colcluded that the Walleye coulbe foiled by sending a dar smoke screen over likely tagets.

Walleye is one of the weat ons that have helped chang the character of the air wat over the North.

The weapon enables a pile to blow up a power plant i the middle of a populated are with little risk to civilian there.

The pilot sets his sights of the power plant, fixes the missie while still miles awa from antiaircraft defenses and then watches the path of Wa
